RESULTS

Women's B'Ball

Our women's basketball team had the honour yesterday of being the first Aussies to compete at the 2005 Universiade. The girls did us proud too, defeating Slovenia 80-78 in overtime, but they nearly didn't make it that far.

After trailing by 9 points at ¾ time Slovenia fought back to lead with just seconds remaining before Aussie forward Lauren King drained a 3-pointer to tie the scores and force overtime. In the extra period our girls dug deep and notched a memorable victory.

GUESS WHO?

Which volleyball team member thought she had lost her accreditation? However this was not the case, another volleyball team member had taken it as her own, only to find out that hers was actually inside her jacket hanging around her neck??????

Apart from the Sailors, which high profile member of the team was not in team uniform????? Some of HIS other team members are worried about team harmony, ONE IN ALL IN!!!!
