## Appointment of new AUS Board Member

Australian University Sport (AUS) is delighted to announce the appointment of Dr Jeffrey Fitzgerald to its Board effective immediately.

Dr Fitzgerald will fill the position made vacant through the resignation of Mr Bruce Meakins in April 2005.

In accordance with the AUS charter, Dr Fitzgerald will fill the temporary position until the 2006 AUS Annual General Meeting.

AUS President, John White, said Dr Fitzgerald's appointment on the AUS Board will provide valuable expertise in a number of areas including strategic planning, and policy formulation and implementation.

"Dr Fitzgerald's appointment will provide the AUS Board with a wealth of knowledge and add to the current members' expertise to give the Board more depth," said Mr White.

As Registrar at the University of Technology Sydney, Dr Fitzgerald's knowledge of the higher education system and of its requirements and interface with government and business will be instrumental during this time in AUS' history.

We ask that you join the AUS Board and Staff in welcoming Dr Fitzgerald to our team.
