Success on the court

Congratulations to the [La Trobe University Women's Basketball team](#) for winning the inaugural University Basketball League title last week in front of a home crowd at our new Sports Park Stadium. After remaining undefeated in all 12 of their matches during the regular season, the Eagles continued their dominance and held off the University of Sydney to secure the Grand Final win, 61-54. Our Men's basketball squad also capped off a strong season and reached the UBL Men's finals before going down to the University of Sydney in their Semi-Final.

As the 2022 Women's University Basketball League national champions, the Eagles have earned the right to travel to **Taiwan** later this year to represent UniSport Australia in a worldwide exhibition series against Chinese Tapei universities. We wish them well in their preparations and look forward to cheering them on later in the year.

Congratulations to our undefeated La Trobe Women's Basketball team who have won the University Basketball League's national championship. The League final was hosted at our new Sports Park Stadium.
