### **Notes**

Competitions cannot cross register across competitions or divisions within one sport.

Teams in breach of cross registration limits will forfeit any games played.

UniSport strongly recommends that cross registrations are not used to reach minimum numbers. Minimum numbers should be reached with individual registrations.

Sports that do not have cross registrations restrictions include: cheer and dance, cycling, fencing, golf, judo, kendo, rowing, rugby 7s, rugby league 9s, surfing and taekwondo.
