Handbook updates

Original version: 24 September 2022

This handbook will be updated as information changes or becomes available. The most up to date version of this handbook can be found on the UniSport website on the Nationals sport specific page. Participants are encouraged to check periodically or updated versions.

Message from UniSport Australia

We acknowledge the Whadjuk Noongar people as the Traditional Custodians of the land that are hosting the UniSport Nationals this week. We pay our respects to Elders past and present and recognise the important contribution that Aboriginal and Torres Strait Islanders make to the Perth community.

UniSport Australia (UniSport) would like to welcome you to the 2022 UniSport Nationals in Perth, Western Australia from 24-30 September 2022.

UniSport is committed to providing competition opportunities that connect students to their universities in a meaningful way, aiming to enhance student experience during their time at university. The UniSport Nationals is a key opportunity for students to not only connect with their respective universities but also compete against other university students from across the country.

After university sport was cancelled during the past three years because of the global pandemic, UniSport Nationals is back, and we are excited to be welcoming over 5000 student-athletes from 39 university members to Perth. Student-athletes will compete in 26

sports across seven days to determine the overall Champion University for 2022.

This is the first time since 2016 that UniSport Nationals will be held in Perth and would like to thank Tourism Western Australia and the Western Australian government for their continued support after the postponement of the event due to the global pandemic.

We are also proud to partner with the City of Perth, City of Joondalup, and the City of Wanneroo throughout the week. We are also pleased to be partnering with our university members, The University of Western Australia, and Curtin University during the event.

On behalf of UniSport, I would like to wish all participants good luck at the event and hope that you make lasting memories and friendships.

Mark Sinderberry
Chief Executive Officer

Accreditation process

All registered participants will be provided with a photo accreditation.

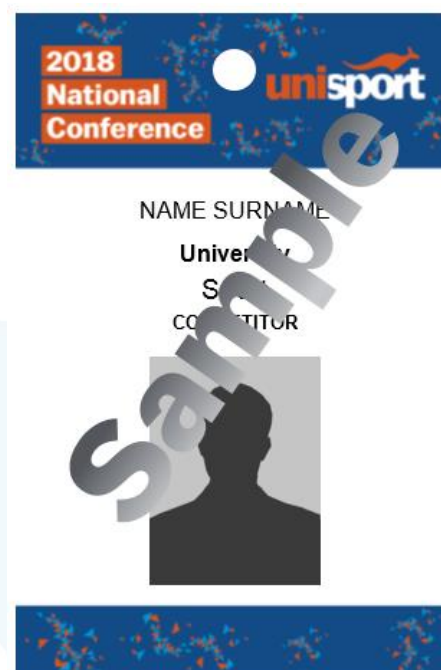

The accreditation process is one of the most vital steps that each sport must undertake before the start of competition each day. Accreditation desks will be open no later than 45 minutes prior to the first match of the day.

NO ACCREDITATION = NO PLAY

1. Upon arrival to the venue, participants present their accreditation pass to the accreditation check-in.
2. The participant will be checked in for that day by competition management and receive a sport stamp on their wrist.
3. Match officials will check stamps with the assistance of volunteers, prior to students taking the field of play for each match.

NO STAMP = NO PLAY

4. All players are to be checked in at least 30 minutes before their first match.
5. If a participant's stamp has disappeared after their first game, they can be re-stamped at check-in by presenting their accreditation.

If a competitor loses their accreditation, they will be required to purchase a new one for \$20.00 from Nationals HQ, located at HBF Stadium, Mount Claremont.

Awards

Medals and trophies

Medals are awarded to 1st, 2nd, and 3rd place getters (individuals or teams) in each respective sport, with a trophy being presented to the 1st place getters.

Medal and trophy ceremonies will be held at the conclusion of the gold medal match on the field of play. For sports with multiple event categories, medal presentations shall be conducted at the conclusion of each category on the field of play.

Pennants

For each championship won, a pennant is awarded to the university that the winning team or individual students is representing in both Div 1 and 2 competitions. Pennants will be presented on the field of play.

For a sport to be classified as a pennant, four teams from four different universities must be entered into the competition.

Overall awards

There are four overall awards presented to the winning universities. The awards are as follows:

Overall Champion University

Based on the number of pennants (championships) won across all sports. This

award will be presented at the end of the year upon the completion of Div 1.

Doug Ellis Per Capita Champion University

Based on points accrued and enrolment numbers of the universities. This award will be presented at the end of the year upon the completion of Div 1 and 2.

John White Spirit Trophy

Recognises the university that has shown the best sportsmanship and has captured the spirit of the 2022 Nationals-Perth-Whadjuk competition. This award will be presented at the Closing Ceremony after the event concludes, with the winning university invited to attend
