The powers and duties of a match official are as specified in the laws of the game. The match official has the authority to make disciplinary decisions, from the moment the match official enters the field of play until he or she leaves the field of play after the final whistle. They also have jurisdiction over any person on the sidelines.
- 3.2 During a match, the match official makes the disciplinary decisions and these decisions are final.

- 3.4 A Competition Administrator may determine that the actions of a player or a team official were of such a nature that it warranted a sanction greater than the mandatory match suspension. This may include additional match suspensions, deduction of competition points and/or a fine.
- 3.5 Without limiting the generality of clause 3.4, a Competition Administrator can determine that a sanction additional to a mandatory match suspension is required for:
 - a) Violent conduct (or R2 expulsion)

- 4.2 A Competition Administrator may cite a player or a team official for the following:
 - a) Sanction an expulsion or serious infringement that has escaped the match official's attention; or
 - b) Rectify an obvious error in the match official's disciplinary decision (such as a right decision against a wrong player or mistaken identity).
 - c) Serious offences that warrant further sanctioning.
- 4.3 The following guidelines apply to determine whether a match official's decision amounted to an obvious error under clause 4.1(b):
 - a) a decision must have been made;
 - b) it clearly must have been a wrong decision; and
 - c) it must have been a seriously wrong decision (and not, for example, a discretionary decision by a match official as to whether an action was a foul or a caution or an expulsion).
- 4.4 For the avoidance of doubt, neither a Competition Administrator nor a disciplinary committee can change a match official's decision to issue a caution or an expulsion.

5. POSSIBLE DISCIPLINARY SANCTIONS

- 5.1 Mandatory match suspensions are incurred for the accumulation of cautions and expulsions by a player, team official or spectator in accordance with clauses 6, 7 and 8 respectively.

 - d) May impose sanctions; and
 - e) Must determine the scope and duration of each sanction in accordance with the recommended sanctions.
- 5.3 A sanction outside of the range of recommended sanctions may be imposed and detailed in either the Competition Administrator's disciplinary infringement notice or the disciplinary committee's determination (as the case requires).

- 5.4 If, in the case of a group of people involved in violent conduct, it is not possible to identify the instigators, the Competition Administrator or the disciplinary committee may sanction the team to which the aggressors belong.

10. NOTIFICATION AND TIMEFRAMES

- 10.1 If a Competition Administrator has determined under clause 3.4 that an offence by a player or a team official was such as to warrant a sanction in addition to the mandatory match suspension, the Disciplinary Committee representative must send a disciplinary infringement notice notifying the player or team official of the details of the offence and of the disciplinary sanction imposed. This is to occur within two business days of the infringement.

The disciplinary notice must provide:

- a) reasonable detail of the alleged offence;

In this case the team/individual has 24hrs to name the player(s) involved otherwise the sanction will apply to the player(s) originally named.
- 11.5 If a team refuses to name the player(s) involved in the original offence, the entire team will receive the original sanction notice and all players will be required to serve any suspensions imposed.
- 11.6 The independence and impartiality of the Disciplinary Committee and Competition Administrator must be upheld throughout the appeals process of disciplinary infringements.

12. IMPLEMENTATION OF DISCIPLINARY SANCTIONS

- 12.1 A match suspension means a ban from taking part in a match or to attend it in the area immediately surrounding the field of play. In the case of a venue ban the player(s), supporters or team officials are not to be at the competition venue during match time.
- 12.2 Unless otherwise specified by a Competition Administrator or a Disciplinary Committee, a player or team official who receives a suspension for an offence in a match must serve that suspension in the next following match(es) in which his or her team participates. For the avoidance of doubt, suspensions do carry over from one round to the next in the same competition to the finals series and to the following season.
- 12.3 A suspension imposed in terms of matches on a player affects a player's participation in the sport competition in which they received the suspension for.
- 12.4 A suspension imposed in terms of time (such as days, weeks or months) affects a player's participation in all competitions, regardless of whether the infringement was committed in Touch Football , 7-a-side Soccer, 5-a-side Soccer, Netball ,Basketball, Volleyball, Flag Gridiron, Tennis or Badminton. - 12.6 The implementation of a sanction may be suspended and, if so, the person sanctioned is subject to a probationary period. If that person commits another infringement during the probationary period, the suspension is automatically revoked and the sanction is applied in addition to any sanction determined for the new infringement.

- 12.7 A competition suspension means a ban from taking part in any matches or to attend in the area immediately surrounding the field of play for the duration of the match as specified by the sanction. This can include life bans.

13. APPEALS PROCEDURE

- 13.1 It is possible for a team or person to disagree with a sanction handed down by the Disciplinary Committee. If a team or person wishes to lodge an appeal the following outlines the procedures to be followed.
- 13.2 If the appeal is for an entire team sanction the appeal is to be completed by the team captain or team official, on behalf of the team. If an appeal is successful then the lodgement fee is refunded, if an appeal is unsuccessful the lodgement fee is forfeited.
- 13.4 In writing the appeal, the team or person should be mindful that the basis for appeal would normally be limited to the following grounds:

 - b) Evidence or circumstances that should have been taken into account by the Disciplinary Committee or Competition Administrator in reaching a decision were overlooked or were not given sufficient weight.
 - c) The inconsistency of the sanction with the nature of the breach of the standards of behaviour.
- 13.5 New or collaborative evidence which is not merely corroborative or repetitive which was not known (or could not have been known) at the time of the original sanction decision and has come to light and may have produced a different decision may NOT be introduced as grounds for appeal. Such evidence should have been provided to the Competition Administrator whilst they are investigating the alleged offence.

- 13.6 If the Disciplinary Committee, decides that an adequate case has been presented a special appeals meeting will be called to assist in the consideration of the appeal, the panel can comprise of:

- 13.8 Prior to the meeting upon request all parties can be provided with a copy of any documentation pertaining to the matter.
- 13.9 If the person fails to attend the meeting, the Disciplinary Committee, may, without further notice, proceed in the person's absence or dismiss the appeal.
- 13.10 The appeal will be conducted by considering only those matters to which the person's appeal is related.
- 13.11 Upon convening, the appeals committee will hear the person's grounds for appeal and then ask the person to leave the meeting room, after which the panel will discuss and deliberate the presented information.
- 13.12 At the conclusion of these discussions, the committee will make a decision and advise the person as to the decision made.
- 13.13 If the appeal is successful, the original sanction will be suspended and the appeals lodgement fee will be refunded at the earliest convenience of Griffith Sport, Griffith University.
- 13.14 If the appeal is unsuccessful the original sanction will stand and the subsequent penalties will stand. The appeals lodgement fee will also be surrendered.

14. EFFECT OF ABANDONED MATCHES

- 14.1 If a suspension is to be served in terms of matches, only those matches actually played count towards the execution of the suspension. If a match is abandoned, cancelled or forfeited, a suspension is only considered to be served if the team to which the suspended player belongs is not responsible for the facts that led to the abandonment, cancellation or forfeiture.
- 14.2 A yellow card issued during an abandoned match will be annulled if that match is replayed and upheld if that match is not replayed.
