- Additional expenditure (gym instructor wages)

It's not all about the  
**MONEY**

# Benefit to UniSA Sport

- PH construction – multi-purpose but despite some limited access to courts has been great for profile
- Improved profile across University in both staff and students who use facilities for academic pursuits
- Club membership/ intervarsity participation results from above

# Benefits to UniSA

- Facilities on campus for academic pursuits
- Improved high quality student supervision in facilities compared to external
- Not having to pay for external placements
- Graduations on campus

# Summary

Our approach, our existence and our future
