A MESSAGE FROM THE CHAIR OF THE AUSTRALIAN SPORTS COMMISSION

Josephine Sukkar AM

Sport has a place for everyone and delivers results that make Australia proud. This is the Australian Sports Commission's (ASC) vision as we embark on a defining era in Australian sport over the next decade and beyond.

Our role, as the Australian Government agency responsible for supporting and investing in sport at all levels, is to increase involvement in sport and enable continued international sporting success.

We do this through leadership and development of a cohesive and effective sports sector, targeted financial support and the operation of the Australian Institute of Sport (AIS).

We play a unique role in the sport ecosystem and tackle the big challenges and opportunities with and for the sector.

We're proud to do so and through our vision, we aim to bring out the best in everyone involved in sport as we establish Australia as the world's best sporting nation.

The 2022 Birmingham Commonwealth Games provided a perfect launch pad for our athletes to shine.

To finish on top of the medal table with 67 gold and cement our status as the most successful nation in the event's history sets us up brilliantly as we look to host the next Games in Victoria 2026.

These Games, uniquely hosted in regional areas, will be another opportunity to inspire Australians to get involved in sport, and to champion the role sport can play in engaging every Australian.

This is a defining era for Australian sport. We have begun the Green and Gold decade to Brisbane 2032, and we are focused on building sustainable success for decades to come.

“ We are setting out to lead, support and provide opportunities for all communities to be involved in sport, while growing elite success and representation, inspiring future generations.

A thriving Australian sport system is enormously influential to a thriving Australia.

The sporting strategies, programs and facilities we deliver now have the capacity to shape Australia's long-term prosperity, well beyond sporting boundaries.

We will advocate for sport and its positive influence on Australia, promote and support inclusive and diverse sporting environments and drive thought leadership and innovation to inspire world's best practices.

We will build the capability of sport and the people involved through projects like our Sport Volunteer Coalition Action Plan which outlines a new approach to foster positive, safe and fulfilling experiences for sport volunteers, and our Women Leaders in Sport programs which champion equal representation in sport.

It has been great to see the AIS site buzzing with activity again after a challenging few years due to COVID-19. We continue to welcome sports and athletes back to the campus, who are all keen to use our facilities to prepare for major sporting events.

Our aim is for sport in Australia to be world's best so we will optimise our facilities to advance sport and use them to showcase sport at its best.

This is an incredible opportunity to unite and inspire Australia through sport as we capitalise on the calendar of major sporting events on the road to a home Olympic and Paralympic Games.

On behalf of the ASC, thank you to everyone who contributes to Australian sport with the aim of making it better for all.

Josephine Sukkar AM

Chair
Australian Sports Commission

2022 CHAIR/CEO REPORT

After two years of uncertainty due to the worldwide effects of COVID-19, 2022 saw a return to more normal activity.

Chris Massey
Chair

Mark Sinderberry
Chief Executive Officer

Members all reported an increase in on campus activity as universities encouraged students to return to face-to-face learning and engagement activities on campus increased. With greater certainty UniSport Australia was able to plan and deliver a full program of events, for many students this was the first time they had the opportunity to fully experience intervarsity rivalry and competition.

Several highlights from 2022 epitomized the growth of UniSport Australia. The UBL expanded to eleven members, with winning teams La Trobe University and The University of Sydney being invited to tour Chinese Taipei for a three games series. In addition, a successful Sport Australia funding grant to support universities grow on campus participation through UniSport My Way program commenced and the successful Nationals in Perth, with almost six thousand student athletes competing across thirty-five sports, was a welcome return of activity.

Many of the opportunities developed through Covid were continued with members attending a range of online and in person workshops covering topics from team management, leadership in

uncertain environments, conversation cafes to sharing best practice. Furthermore, the annual National Conference and AGM returned, hosted by The University of Sydney, with a healthy combination of members and students sharing their experiences as well as considering the future opportunities for student and sport was appreciated by all who attended.

The organisation made significant progress with the implementation of the strategic plan, whilst simultaneously returning to financial surplus. The value of university sport was further promoted to both the tertiary sector and the wider sports industry as typified by the growing investment in leagues and the investment by Sport Australia to grow participation. The competition opportunities continue to grow with UniSport assuming the operations of the Women's rugby sevens and expanded participation programs. Despite the successes we are still mindful of strengthening our processes with the integration of student perspective and inclusion and diversity strategies.

Congratulations to all of the teams that won national championships, but special mention must go Macquarie University 3X3 men's team that won the UniSport Nationals and went on to win a silver medal at the World University 3X3 Championships in Turkey. We would also like to acknowledge our continuing partnership with the Wollotuka Institute that saw the Indigenous Nationals expertly hosted by the Queensland University of Technology.

Finally, we would like to take the opportunity to acknowledge the vast number of people that make university sport possible; from the team managers,

to all the part time and full time staff that make sport on campus possible. To all the CEOs that willingly give of their time and expertise to ensure sport is valued by the sector a huge thank you. Lastly, to the board and staff of UniSport Australia who gave so much of themselves over the past two years to ensure UniSport was ready to relaunch itself post the pandemic, our sincere thanks.

Chris Massey
Chair

Mark Sinderberry
Chief Executive Officer

CEO footnote

“On behalf of UniSport and the Board I'd like to take the opportunity to acknowledge and thank Chris Massey for his significant contribution over the past six years. Chris has served as Chair during a particularly challenging time when it was impossible for the Board to meet face to face. His support and guidance will be greatly missed, and we wish him every success.”

MEMBER SERVICES

UniSport continues to strive to provide services that will assist members in reaching their key strategic objectives. These services include advocacy support, engagement and networking opportunities, education and training as well as intervarsity events including UniSport Nationals.

In 2022 UniSport offered 43 different services to assist members with their goals and activities. Of the services offered, 28 were achieved, nine were partially achieved, three were not achieved with three either postponed or unable to be offered due to specific circumstances.

The UniSport member satisfaction survey returned an average satisfaction score of 3.6/5. This was down on satisfaction levels of 3.8/5 from 2021. Since the inception of the UniSport member satisfaction survey in 2019, the average member satisfaction rating is 3.75/5.

Information following, outlines key areas of activity within Member Services (excluding events):

Develop and evolve the structure and servicing of UniSport members

- Two CEO Forums and seven clubs officer conversation cafés were held providing information, updates, sharing of member news and best practice.
- At least three member forums were held in each region throughout 2022. These forums focused on member updates, sharing of information and UniSport event updates.
- UniSport National Conference was held in conjunction with the Annual General Meeting in Sydney from 10-12 May. The event attracted over 80 delegates from 28 universities.

Develop the capacity of industry staff

- UniSport staff developed four specific online courses to train and educate member personnel in preparation for attending UniSport Nationals in Perth. These courses were promoted as a Team Management 101 series and included:
 - » An essential guide to UniSport events for university team managers
 - » A guide for university team managers re UniSport Nationals event administration
 - » A guide outlining a typical day in the life of a university team manager at a UniSport event
 - » An incident management course to prepare a university team manager in dealing with an event whilst on tour with a team

- The member resource area of the UniSport website was updated with over 40 resources including best practice and toolkits, to assist members in showcasing best practice, provision of templates as well as information guides such as the UniSport three part incident management guide.
- Specific toolkits were developed and made available to members via the members area of the UniSport website. These toolkits included a clubs toolkit with a focus on managing clubs and a You Can Play toolkit with a focus on inclusion and ensuring clubs on campus are welcoming to all. The You Can Play toolkit was developed with support from Sport and Recreation Victoria.

Develop student capacity

- Students had the opportunity to attend the UniSport AGM and National Conference where a specific student stream was scheduled. In total 15 students from ten universities were represented at this event.
- The UniSport BTI (Be The Influence) Team Leader course was delivered online to more than 136 students from 39 universities. Whilst in person courses were offered, online courses were deemed more suitable enabling students to easily fit the course into their schedule.
- A Team Captain 101 online course was developed by UniSport staff providing an introduction to students who were attending UniSport Nationals Perth for the first time, as a captain of their sporting team. This course focussed on the role of the team captain prior to, during and post event, as providing tips on leading a touring team. The course was completed by 98 students from 17 universities.
- The UniSport Student Advisory Group continued to provide feedback and input to UniSport programs and events. The group met three times throughout the year in an online format and the group also contributed to two online surveys.

Student Advisory Group Members	Degree	University
Quinn Edwards	Bachelor of Laws / Bachelor of Creative Writing	University of the Sunshine Coast
Renee Fox	Bachelor of Exercise & Sports Science (Hon)/ Bachelor of Business & Sports Management	Deakin University
Nicholas Mallia	Bachelor of Business in Sports Management	Torrens University Australia
Jordy McCarthy	Bachelor of Health & Physical Education	Federation University
Junsung Oh	Masters in Actuarial Science	Bond University
Max Qua	PHD	The University of Notre Dame
Mia Rennick	Bachelor of Sport & Exercise Science (Hon) Clinical Exercise Physiology	University of Southern Queensland
Phil Tran	Commerce & Computer Science	Monash University

Opportunities for members

- Numerous members provided their skills and expertise to UniSport working groups in the areas of national conference, technology solutions, member fee review and constitutional change.
 - Wade Spencer from Victoria University fulfilled an event assistant role at the UniSport Nationals Snow event.
 - Deakin University, James Cook University, The University of Western Australia and University of South Australia showcased best practices in the areas of sustainability, participation, Inclusion and academic partnerships at the National Conference.
 - Eight conversation cafés were held for Club Officers where information, resources and best practice were shared amongst this network of staff members from more than 30 universities.
- In addition to the above success areas:
- UniSport promoted 36 member stories showcasing the university sector to the wider Australia sport community.

UniSport MyWay Program

The UniSport MyWay program was launched in April 2022 with the goal to increase participation in grassroots physical activity and sport on university campuses across the country. The MyWay program assisted 30 universities to deliver bespoke activity programs at 69 campuses reaching 40,000 participants across Australia.

UniSport MyWay included a range of activities from ultimate frisbee and wheelchair basketball, to a campus amazing race, picnic games and a multi-campus move-a-thon. UniSport MyWay was accessible to all but specifically aimed to engage a number of audiences including students not already active; women and girls; people with a disability; culturally and linguistically diverse (CALD) people; Aboriginal and Torres Strait Islander Peoples; and the general population.

A Student Ambassador program was integral to the delivery of the UniSport MyWay program, aiming to help increase the capacity of member universities to deliver sport and activity programs on campus. 53 Student Ambassadors from 24 universities were engaged, with the program designed to provide personal and professional development through the training provided and experience in delivering activity programs and managing ongoing participation opportunities.

This project received funding from the Australian Government through Sport Australia and UniSport would like to acknowledge and thank them for their support.

Sport sector surveys

Unisport continued the collection of data relevant for sector and member benchmarking. In 2022, data collection focussed on clubs and elite athlete programs. Data collected will be combined with previous years data to produce comparable results for members spanning 2019-2022.

Whilst understanding ongoing challenges such as staffing and funding, sport continues to be a driver to a quality student experience and UniSport members continue to be successful in ensuring sport can bring positive experiences and social connection.

UniSport members

With students returning to campus in 2022, UniSport members streamlined resources to ensure programs, events, sport and activity could be delivered to re-engage and reconnect students to their university.

During end of year member meetings, key themes relating to the priorities of members for 2023 were identified.

These include:

- Nationals participation
- Development of clubs
- Increase sport on campus
- Intervarsity sport
- Elite Athlete Programs

COMMERCIAL

UniSport TV

In 2022 we launched UniSport TV, a dedicated streaming platform housing competitions from a number of Australian universities, including University Basketball League, Big Blue Varsity Challenge, League of Legends and 3x3 Big Hustle Nationals.

Commercial: Partnerships

We are extremely grateful to all our partners for their ongoing support during 2022. We would particularly like to acknowledge bp Australia for their continued support of the Indigenous Nationals and the very popular bp scholarship program that has been in place for three years.

The scholarship program awards two \$5,000 scholarships to the most promising Indigenous student-athletes to support both their academic and athletic endeavours. Scholarship recipients will also be offered mentoring and professional development opportunities from bp.

In 2022, the recipients were:

- Rebeka Morrison (Bachelor of Anthropology & Sociology, The University of Western Australia)
- Quincy Ross (Bachelor of Education (Secondary) The University of Newcastle)

INTERNATIONAL PROGRAM

Chengdu 2021 Summer University Games

The 32nd edition of the Summer World University Games were scheduled to be held in 2023 in Yekaterinburg, Russia. Due to the global environment, FISU imposed a number of sanctions on Russia including suspending Ekaterinburg's hosting of the FISU World University Games. The 2021 FISU Summer World University Games already postponed to 2022 was again postponed as a result of the ongoing impacts of the Covid pandemic. The games will now be held in Chengdu from 28 July to 8 August 2023.

FISU World University Championships

28 athletes and five officials participated in five World University Championships (Beach Volleyball, Cross Country, Orienteering, Sport Climbing and Triathlon).

Student representation at the 2022 Commonwealth Games

The 2022 Commonwealth Games took place in Birmingham, England between 28 July and 8 August 2022. From the data collected with the support of UniSport members, almost half of the Australian team had ties to university sport. More than 190 student-athletes, alumni and university club members from 27 Australian universities represented Australia, bringing home medals in 16 different sports.

2022 Beijing Winter Olympics

The 2022 Beijing Winter Olympics saw 26 athletes selected to the 2022 Australian team with ties to university sport. Of note was the performance of Jakara Anthony (Deakin University, Bachelor of Sport and Exercise Science) winning gold in the Freestyle Skiing Women's Moguls.

2022 saw the UniSport Nationals return with a full calendar of events after two very challenging years for the sector. The Nationals in its entirety sees a yearlong calendar of events hosted across Australia, allowing any university team the opportunity to become crowned Nationals Champions in their respective sports, and one university to be crowned the Overall Champion University.

In 2022, nine Nationals Championship events took place with our major multi-sport event, the UniSport Nationals, returning to Perth for the first time since 2016. In total more than 8,500 student-athletes, coaches, support staff and volunteers were involved across the program, showcasing that despite the unplanned hiatus in competition, the appetite to be back on the field and competing against fellow students remains high.

Nationals Championships

Triathlon

In 2022, Nationals Triathlon returned to the Sunshine Coast, Queensland as part of the 30th anniversary of Mooloolaba Triathlon. The championships were contested in sprint and standard distances, with 196 student-athletes taking part in the gruelling weekend of racing. Kirsty Beattie (The Australian National University) and Jack Crome (Queensland University of Technology) took first place in the sprint distance whilst Romy Wolstencroft (Queensland University of Technology) and Michael Boulton (University of Tasmania) achieved success in the standard event. Although Queensland University of Technology won celebrated individual podium success, it was the consistency and representation of The University of Queensland team that saw them claim the overall champion titles.

Athletics

Nationals Athletics was held on the Gold Coast, Queensland from 19-21 April, attracting 365 student-athletes from 38 universities. Eight UniSport track and field records were broken throughout the championships, including the decathlon and heptathlon events which were held earlier in the year at the Australian Track and Field Championships. The University of Sydney were crowned overall champions after taking out both the men's and women's pennants, reasserting their dominance as the premier university for athletics.

Event	Previous record	New Record
10,000m (W)	Samantha Phillips (2018) The University of Queensland 34:33.38	Olga Firsova (2022) Curtin University 34:16.36
Pole Vault (W)	Brigid Isworth (2001) The University of Melbourne 3.90m	Raphaella Corney (2022) University of Tasmania 3.95m
Long Jump (W)	Audrey Kyriacou (2015) UNSW Sydney 6.14m	Emelia Surch (2022) Griffith University 6.18m
Heptathlon (W)	Leslie Richards (1984) Macquarie University 5406	Taneille Crase (2022) Griffith University 5759

3x3 Basketball

In 2022, Nationals 3x3 Basketball headed to Hobart, Tasmania and were hosted by University of Tasmania at their partner venue, Swisherr Hoops Academy. From 20-22 April, 15 women's teams and 16 men's teams challenged the fourth 3x3 Big Hustle Uni Nationals; a co-branded event resulting from UniSport's ongoing relationship with 3x3Hustle; Australia's official 3x3 pathway. Macquarie University (men) and University of Technology Sydney (women) dominated their respective competitions to claim gold medals.

League of Legends

UniSport teamed up with META Esports to deliver the 2022 UniSport Nationals League of Legends championships. The competition was held online throughout July and attracted 25 teams from 16 universities. Deakin University won gold against defending champions University of Technology Sydney to claim the Div 1 overall champion title. Monash University claimed gold in Division 2 against University of NSW Sydney.

Indigenous Nationals presented by BP

The 26th annual Indigenous Nationals returned to Queensland in 2022, for the first time since 2016. The week-long multisport event was hosted by Queensland University of Technology on the Traditional Lands of the Turrbal and Yugara People (Brisbane). Twenty-nine teams participated across four sports; basketball, netball, touch football and volleyball as well as celebrated their Indigenous culture and history through ceremonies and social activities.

Australian Catholic University were crowned champions for the second year running, following consistent performances in all four sports.

Award	Winning University
Basketball Champions	The University of Adelaide
Netball Champions	The University of Queensland
Touch Football Champions	The University of Newcastle
Volleyball Champions	Griffith University
Overall Champions	Australian Catholic University
Spirit of the Games	The University of Tasmania

Surfing

In 2022, Nationals Surfing took place at Coolumb Beach on the Sunshine Coast, Queensland. The event attracted 44 participants and was contested in shortboard, longboard, bodyboard, and a teams challenge event. Peter Kavanagh (Bachelor of Primary Education) from The University of Notre Dame Australia dominated in the individual performance results however The University of Queensland men's team claimed the overall men's champion university. Anna Toohey (Bachelor of Primary Special Education) from Australian Catholic University dominated the women's competition after finishing on the podium in all disciplines. Strong performances from Southern Cross University in the women's events earned them the overall women's and combined champion university awards.

T20 Cricket

Maroochydore and Caloundra Cricket Clubs on the Sunshine Coast, Queensland, played host to the 2022 Nationals T20 Cricket tournament. The tournament was held from 1-5 August and attracted 11 men's teams to the competition. University of Tasmania beat The University of Queensland to claim the bronze medal. University of Technology Sydney upset the defending champions The University of Sydney to be crowned overall champions.

Distance Running

In 2022, Nationals Distance Running was hosted by the Blackmores Sydney Running Festival. The event saw over 600 competitors from across Australia race in Half-Marathon and Marathon distances across the weekend. University of Technology Sydney and The University of Sydney won the men's and women's Distance Running Champions title respectively.

Snow

Nationals Snow returned to the slopes of Mt Buller in 2022; four years after the championships were last held at the Victorian ski resort. 154 student-athletes competed in the sports of alpine skiing, freestyle skiing and snowboarding events. Unfortunately, unfavourable weather conditions resulted in the cancellation of the cross-country skiing events.

It was the widespread talent within the University of Technology Sydney's team that earned them the overall champion university title. The highly regarded Spirit of the Mountain award was presented to The Australian National University following their display of sportsmanship and camaraderie towards other universities.

Award	Winning University
Alpine Skiing Champions - Men	The University of Sydney
Alpine Skiing Champions - Women	University of Technology Sydney
Freestyle Skiing Champions - Men	University of Technology Sydney
Freestyle Skiing Champions - Women	The University of Melbourne
Snowboard Champions - Men	RMIT University
Snowboard Champions - Women	University of Technology Sydney
Overall Champion University	University of Technology Sydney
Spirit of the Mountain	The Australian National University

2022 UniSport Nationals – Perth

This year noted the second evolution of the Nationals competition framework with the removal of the Div 2 event seen in 2018 and 2019. Following strategic repositioning, the separate Div 1 and Div 2 events were amalgamated, returning to one annual major multi-sport event retaining the renewed focus of competitive intervarsity sport and enhanced participant experience.

Following the cancellation of the UniSport Nationals (in this format) in 2020 and 2021, the event returned to Perth for the first time in six years as part of a support agreement with the Western Australian Government through Tourism Western Australia.

With the change to a single event model a divisional structure was applied to the event to enable universities to rebuild their teams following almost two years of limited activity on campus. All competitions were initially delivered as one division apart from where team numbers facilitated a two divisional split (teams from 13th place onwards contested Div 2 pennants after the initial rounds).

Participant satisfaction for the Nationals achieved the highest rates seen since the delivery of the program began in 2018, with 87% of respondents being satisfied or extremely satisfied with their overall event experience. When asked to provide their thoughts on the event, participants responded:

During the seven-day event hosted across **26 venues** in the greater Perth region, **61 competitions** were contested in **26 different sports** across open, mixed, women's and men's categories. In total, **574 university teams** competed across the two divisions (Div 1 – 439 and Div 2 – 135 respectively) with over **5,500 participants** involved in the event.

participant feedback

“ I would encourage anyone who plays sport to give it a go! Feels like a once in a lifetime kind of event and couldn't be happier I attended.”

“ I loved it and want all my friends to experience the amazing week I had next year.”

Not only do the Nationals provide an opportunity for students to compete against their peers from across the country, but it also allows several students to gain valuable work and industry experience through our internship and volunteering programs. We'd like to take this opportunity to thank all our interns and volunteers across the Nationals program for their tireless contribution to the delivery of the events.

Despite the challenges faced with a return to sport in 2022 and the lingering uncertainty of the true impact that COVID-19 had on peoples' appetite to travel or re-engage in sport, the 2022 Nationals has provided the perfect opportunity for our students to re-engage, get competitive and re-connect with their peers from across the country.

Congratulations to all teams who won pennants and medals in their respective sports, to the Overall Champion universities and we thank all participants, competitors, volunteers and staff who attended and supported the events throughout the year.

UniSport Australia would like to thank and acknowledge our university partners and hosts this year.

UNIVERSITY BASKETBALL LEAGUE AUSTRALIA 2022

In 2022 the University Basketball League Australia (UBL) returned for its second year. After COVID-19 impacts in 2021 resulted in abandonment of the final round match as well as cancellation of the finals, it was exciting to see the 2022 UBL increase in participation to 11 universities for both men and women with 116 games being held across a 10 week period from 21 March to 25 May 2022.

Following the completion of the regular season, the top four universities from both the men's and the women's competitions came together in Melbourne for the semi-finals with games on Tuesday 17 May at La Trobe University and Wednesday 18 May at Victoria University. The conclusion of the semi-finals saw undefeated teams La Trobe University (women) and The University of Sydney (men) earn hosting rights of the respective grand finals matching up against The University of Sydney (women) and University of Technology Sydney (men).

The inaugural final series was held across two states with the women's grand final at La Trobe University on Tuesday 24 May and men's grand final

on Wednesday 25 May at The University of Sydney. Both grand final matches were highly competitive narrowly avoiding overtime. Congratulations to La Trobe University women and The University of Sydney men as the respective winners of the UBL.

The quality of basketball played throughout the season as well as the finals showcased a number of outstanding moments including some firsts for the UBL – two matches in the women's league saw the first overtime women's games with Curtin University v University of Technology Sydney and La Trobe University v University of Technology Sydney both finding themselves playing additional minutes.

There were a number of notable achievements and remarkable statistics throughout the UBL:

- **Highest team score men:** 122 - VU (week 1)
- **Highest team score women:** 120 - LTU (week 4)
- **Highest individual overall points men:**
239 - Mitch Dielemans (Master of Health Science, Victoria University)
- **Highest individual overall points women:**
165 - Sari Mowbray (Bachelor of Health Science, University of Technology Sydney)
- **Average rebounds men:** 15.8 - Nick Floyd (Bachelor of Commerce, The University of Western Australia)
- **Average rebounds women:**
15.67 - Faith McKenzie (Bachelor of Secondary Education, Federation University)
- In the men's league the Curtin University v University of Sunshine Coast Spartans match was the first UBL game to go into double overtime to break the tie

Most Valuable Player Awards

MVP Women - Evie Lovell, PHD Medicine, The University of Adelaide

MVP Men - Nick Floyd, Bachelor of Commerce (Finance and Economics), The University of Western Australia

As winners of the UBL, La Trobe University women and The University of Sydney men were invited to participate in a tour against Chinese Taipei universities in December 2022.

Livestream

In a first for UniSport and with the support of Clutch, UniSportTV was also launched in 2022 – a dedicated platform and the new home for live and on-demand university sport. All matches of the UBL through both the regular season and finals series were livestreamed via UniSportTV.

UNIVERSITY WOMEN'S SEVENS SERIES 2022

Following on from the previous Aon Uni 7s competition, UniSport Australia, following extensive consultation with member universities and with the support of Rugby Australia, delivered the 2022 University Women's Sevens (Uni 7s) Series in October 2022. The series was held across three round-robin tournaments and comprised of seven university teams, with the team accumulating the most series points throughout the three tournaments being crowned winners.

Tournament 1:

8 October – 9 October, Adelaide (Kaurana)

Tournament 2:

15 October – 16 October, Newcastle
(Awabakal Nation)

Tournament 3:

29 October – 30 October, Canberra (Ngunnawal)

Every game of the Uni 7s Series was livestreamed via UniSportTV (with the support of Clutch), the new dedicated platform for live and on-demand university sport.

Congratulations to Bond University who were crowned overall winners of the Uni 7s Series, winning two of the three tournaments. The University of Newcastle ended the third series with a win against Bond University in the gold medal match, going into golden point extra-time in the dying seconds.

DIRECTORS REPORT

Your Directors submitted the financial report of UniSport Australia Limited ("UniSport") for the financial year ended 31 December 2022. In order to comply with the provisions of the *Corporations Act 2001*, the directors report is as follows:

Directors

The names of each person who has been a director during the year and to the date of this report are:

Mr Chris Massey
 Mrs Katrina Roff
 Mr Paul McJannett
 Dr Lisa Gowthorp
 Ms Sophie Curtis
 Mr Bryan Pryde
 Prof. Peter Dawkins AO
 Prof. Paddy Nixon
 Mr Barry Wallett
 Ms Deborah Wright

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal Activities

The principal activities of the company during the financial year were to provide peak body representation; advocacy for sport and activity, strategic planning and coordination of university sport in Australia, including event management and assistance to university sporting teams.

Review of Operations

The surplus of the company for the financial year amounted to \$66,701 (2021 Loss: (\$242,740)). Due to the impacts of COVID, the World Summer Games scheduled to be held in Chengdu, China, were postponed. The Australian Masters Games Perth were held in 2022, postponed from 2021 also due to COVID.

Short-term and Long-term Objectives

The company's short-term objectives are to:

- Improve sport outcomes for the university sport sector through: growing and improving the quality of participation in regional and national sport programs and events; and extending and consolidating the envisioned event participation pathway.
- Continue to build sector-wide resilience and sustainability through enhancing communications, professional development, knowledge management and shared best practice to deliver quality benefits and services to our members and end consumer - the university students of Australia.
- Build a stronger strategic partnership with Sports Australia to show where university sport can contribute to the national sport system through aligning the aims of higher education and health through sport and activity.

The company's long-term objectives are to:

- Provide effective leadership to the sector.
- Deliver essential services to members and participants enabling the connection of external stakeholders with the university sport sector.
- Impart a 'healthy body - healthy mind' message to the students enrolled in Australian universities.
- Encourage fair play and the spirit of doing one's best knowing and promoting that the pursuit of academic and sporting aspirations are complementary components of the university experience.
- Value the importance of the people involved in the promotion and delivery of sport across the tertiary sector.
- Embody a culture of openness and transparency.

UNISPORT AUSTRALIA LIMITED
ACN: 095 463 782

DIRECTORS REPORT (continued)

Strategies

To achieve its stated objectives, the company has adopted the following strategies:

- Develop an Advocacy Strategy to ensure universities understand the value of sport and recreation and support its integration within their strategic pillars of recruitment, retention & engagement.
- Build the value of being a member of UniSport.
- Provide a framework for universities to compete through a range of opportunities locally, nationally & internationally.
- Align international sporting opportunities with university aspirations.
- Operate efficiently and responsibly.

Key Performance Measures

The company measures its own performance through the use of a variety of qualitative success measures in the areas of:

- Growth and sustainability
- Alignment of sport with university outcomes
- UniSport & Sports Australia/Australian Institute of Sport /Strategic Partnerships
- UniSport & National Sporting Organisations Strategic Partnerships
- Improving sport outcomes through events
- Member services
- Business development
- Health promotion and
- Financial performance

These success measures are used by the directors to assess whether the company's short-term and long-term objectives are being achieved.

Information on Directors

Chris Massey

Director - Chair

Qualifications:

Senior Fellow of Higher Education Academy (SFHEA)
 Diploma Graduate, Australian Institute of Company Directors
 Master of Education (The University of Western Australia)
 Master of Business Administration (Edith Cowan University)
 Graduate Diploma of Management (Edith Cowan University)
 Diploma of Education (The University of Western Australia)
 Bachelor of Physical Education (The University of Western Australia)
 GAICD MEd MBA BPE

Experience:

Chris is an experienced leader with a 30-year career spanning not for profit, government, and commercial organisations. He has held both board and executive roles with commercial accountability for significant budgets across the education (secondary and higher education), health, sport and recreation sector. He has been a Director on a number of Boards, including Venues West, West Coast Fever Netball, The University Club of WA and the Collegiate Way International Advisory Committee. He has held positions at The University of Western Australia involving responsibility for all student services and support as part of the senior executive team of the Education portfolio. Chris commenced as Executive Director of The Association of Independent School WA (AISWA) in September 2022. Chris is passionate about the value sport offers in the education sector including participation, volunteering and leadership opportunities and believes that sport is a sound investment from graduate, employer, and universities' perspectives. Chris is a Leadership WA Fellow, UWA Football Club Life Member and recipient of a UWA Excellence in Teaching Award.

UNISPORT AUSTRALIA LIMITED
ACN: 095 463 782

DIRECTORS REPORT (continued)

Katrina Roff

Director - Deputy Chair (to May 2022)

Qualifications:

Bachelor of Arts (Hons) English and Philosophy (University of Leeds)

Experience:

Katrina has 15 years' experience working in sport, within tertiary, not for profit, and commercial sectors. With over a decade in sports marketing she brings strong commercial, brand and marketing expertise to the board. Katrina has worked with global brands to drive business objectives through sport, leading the delivery of international sponsorships at the Australian Open Tennis, Hong Kong 7's Rugby Union, London 2012 Olympics, and Paralympic World Cup.

Katrina's experience spans multiple markets, having cultivated her career in London, Hong Kong and Sydney, bringing with her different cultural perspectives on the value of sport. For the past 5yrs, Katrina has been the CEO of ANU Sport - overseeing sport, recreation and well being for the ANU community - most latterly initiating a restructure of the organisation's business and governance model.

Katrina is passionate about sport and believes in its power to deliver social change and build community – particularly within the tertiary education sector. She was a representative netballer and the founder of the Women in Sport group.

Paul McJannett

Director

Qualifications:

Graduate Certificate, Catholic Culture & Leadership

Graduate, Australian Institute of Company Directors

Graduate Diploma in Property Investment & Finance, Property Council of Australia

Business Management Certificate (Australian Institute of Management)

Bachelor of Building (Hons 1st) (University of New South Wales)

Diploma of Teaching SCAE

Experience:

Paul has 23 years' experience in the co-curricular Australian Higher Education sector with experience extending across multiple disciplines. Dedicated to his current role as the Director of Sport Wellbeing & Residential Life at the Australian Catholic University, Paul is committed to promoting student equity, access to higher education and engagement through holistic support and programs. This has involved establishing sporting programs, accommodation, and medical centres nationally for the Australian Catholic University.

Former CEO of the University of Sydney Union, Paul has extensive experience leading and managing change in large and complex organisations.

Paul is passionate about sport and has served many years as a volunteer in the sports of surf lifesaving and water polo and is currently a delegate to the Australian Water Polo League and a member of the Executive Committee of the Sydney University men's water polo club, one of the largest and most successful University sporting clubs in Australia. He recognises the important role UniSport Australia plays in facilitating a rich aspirational sporting pathway.

UNISPORT AUSTRALIA LIMITED**ACN: 095 463 782****DIRECTORS REPORT (continued)****Dr Lisa Gowthorp**

Director - Deputy Chair (from May 2022)

Qualifications:

Doctor of Philosophy (Griffith University)

Master of International Sport Management (Southern Cross University)

Bachelor of Education (PD/H/PE) (Newcastle University)

Experience:

Lisa is an Associate Professor of Sport Management at Bond University, and the Associate Dean of External Engagement in the Business School.

Lisa has previously worked in high performance sport for over 12 years, with organisations such as the NSWIS, the AIS, Gymnastics Australia and Australian Canoeing. She has managed sport teams at World Championships and the Olympic Games.

Lisa is passionate about high performance sport, governance and policy and undertakes research in these areas. Lisa continually consults with industry on governance issues and sport policy.

Sophie Curtis

Director (elected May 2022)

Qualifications:

Bachelor of Sport and Tourism Management - Southern Cross University

Experience:

Sophie has worked in the University sector for over 12 years, currently at Macquarie University as the Lead – Diversity, Equity, Inclusion & Belonging for Campus Life. Prior to her role leading and developing equity and inclusion practices she was the Manager -Sport Development & partnerships and at Queensland University of Technology as their Sport Manager. Her focus is the strategic development and delivery of programs, events, and policies that drive positive organisational and cultural change in the University environment.

A natural influencer and leader, Sophie is committed to challenging organisations to expand their capacity to promote diversity and create inclusive environments. She initiates and advocates for programs that enhance the student experience and understands the positive impact sport has on student wellbeing and student engagement with University life.

Sophie is a respected change agent with a reputation for delivering high quality programs and initiatives that support organisational goals and create opportunities for meaningful engagement with students.

A strategic thinker with strong business acumen, Sophie is skilled at stakeholder engagement at all levels and brings a collaborative, positive approach to the table.

Sophie is passionate about sport and hopes to be a custodian for University sport in the sector to ensure future generations can experience the community that sport provides.

UNISPORT AUSTRALIA LIMITED

ACN: 095 463 782

DIRECTORS REPORT (continued)**Bryan Pryde**

Director

Qualifications:

Bachelor of Business Administration – Marketing (University of New Brunswick, Canada)

Bachelor of Arts – Economics (University of New Brunswick, Canada)

Australian Institute of Company Directors (GAICD) – Graduate

Experience:

Bryan is a decorated sports and university administrator with a combined 25 years' experience. Since 2011, he has served as CEO of UQ Sport at The University of Queensland, where he oversees the operation of Queensland's largest multi-sport complex, as well as the delivery of more than 300 diverse sport and recreation programs.

Bryan's sporting prowess also includes a six year stint as a Stadiums Queensland's Senior Manager. In this role, he was responsible for the day-to-day operations of the Sleeman Sports Complex – one of Queensland's centre of excellence for elite athletes. Bryan also orchestrated strategic, business and operational plans for many of the state's major sporting venues, including The Gabba and Queensland Sports and Athletics Centre (QSAC).

Bryan is passionate about delivering exceptional sporting opportunities for student-athletes, and helping to further develop intervarsity sport competitions across Australia.

Prof. Paddy Nixon

Director (appointed May 2022)

Qualifications:

Doctor of Philosophy, Computer Science - The University of Sheffield

Bachelor of Science (Hons) - University of Liverpool

Experience:

Professor Nixon holds a PhD in Computer Engineering from Sheffield University. A technologist and computer scientist, Professor Nixon was previously the Vice-Chancellor of the multi-campus Ulster University in Northern Ireland. No stranger to Australian shores, he moved to Tasmania in 2010 where he was Deputy Vice-Chancellor Research – delivering significant growth in both rankings and research funding—before returning to the United Kingdom.

Professor Nixon has a deep understanding of the nexus between industry and university research having had significant industrial and commercial experience through collaborations with INTEL, Microsoft Research, HP, Oracle and IBM as well as being involved in start-ups and establishing the Irish national early stage technology incubator.

He is deeply committed to the civic obligations of a university and recognises the critical and unique role the University of Canberra plays in the ACT. Professor Nixon believes that modern universities need meaningful engagement with their students, their staff, industry partners and the community to deliver consistent and compelling impact.

UNISPORT AUSTRALIA LIMITED
ACN: 095 463 782

DIRECTORS REPORT (continued)

Barry Wallett

Director (appointed May 2022)

Qualifications:

Bachelor of Communications - University of Canberra

Experience:

Barry Wallett has been working as a senior executive in the education sector for the last 20 years and involved in professional advocacy work in Canberra for the last 35 years. He is a former journalist, has a communications and marketing degree and is currently working as a government and media relations advisor, primarily in the not-for-profit sectors.

Barry has worked on several high-profile advocacy campaigns for the education, health, mining and social welfare sectors. He has won several communications awards and over many years has had considerable involvement in a range of high-level individual and team sporting activities covering hockey, cricket, swimming, cycling, triathlon and AFLW.

He was previously Executive Director (2018-20) and Deputy Executive Director (from 2009) of the Independent Schools Council of Australia, Chief Executive Officer of the Construction Industry Training and Employment Association (CITEA); General Manager, Australian National University's ANU College and Divisional Manager for the ANU Education Centre.

Deborah Wright

Director (appointed November 2022)

Qualifications:

Master of Business Administration - Southern Cross University

Diploma in Secondary Education - NCAE / University of Newcastle

Experience:

A highly skilled and respected senior executive and Board Director with expertise in providing dynamic leadership, strategic direction, change management and an empowered people and culture environment. Deborah has over 30 years of senior management and Board experience in broadcasting, media and telecommunications, tertiary sector, aviation industry and sport industry.

Previous senior roles include CEO of NBN Television Network, Director of Regional Strategy for Nine Entertainment Co, CEO of 2NURFM, the University of Newcastle's community radio station, and currently CEO of Newcastle University Sport. Deborah, until her appointment to 2NURFM, served on the Council for the University of Newcastle for over 11 years. During her term on Council Deborah was Chair of the People and Culture Committee, Chair of 2NURFM Advisory Board and a member of the Strategic Development Committee.

Deborah has a Master of Business Administration, a Diploma in Teaching, is a Fellow of the Australian Marketing Institute, is a Certified Practising Marketer and is a Member of the Australian Institute of Company Directors.

Deborah is passionate about the Hunter region and its community as reflected in her professional roles and regional Board Directorships over the years, which include the Hunter Economic Development Corporation, the Newcastle Airport, the Council of the University of Newcastle, and Chair of 2NURFM Advisory Board.

UNISPORT AUSTRALIA LIMITED
ACN: 095 463 782

DIRECTORS REPORT (continued)

Prof Peter Dawkins AO	Director (term concluded May 2022)
Qualifications:	Bachelor of Science - Loughborough University Master of Science - University of London
Experience:	Peter Dawkins was Vice-Chancellor and President of Victoria University since January 2011- December 2020. This follows six years in high-level leadership roles for the Victorian Government, and twenty-eight years in the university sector. Peter is a regular contributor to policy debates in the area of education, especially tertiary education and is passionate about the power of education. He is committed to giving students in the west of Melbourne, and beyond, access to a transformational student experience and quality educational opportunities. Above all, he believes in opportunity for all, that any student, from any background, has the right to access quality education to set them up for success. Peter was awarded an Order of Australia in the 2017 Queen's Birthday Honours List for his outstanding service to tertiary education as an administrator and academic. In his own time, Peter is a keen sports enthusiast. Having been a club cricketer and a coach, he continues to follow cricket with keen interest and is also a "one-eyed" Western Bulldogs supporter.

UNISPORT AUSTRALIA LIMITED
ACN: 095 463 782

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements cover Uniport Australia Limited ("UniSport") an individual entity, incorporated and domiciled in Australia. UniSport is a company limited by guarantee. The financial statements were authorised for issue by the directors of the company as at the date of the directors' declaration.

Basis of Preparation

The directors have prepared the financial statements on the basis that the company is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the *Corporations Act 2001*. The company is a not-for-profit company for financial reporting purposes under *Australian Accounting Standards*.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the *Corporations Act 2001* and the significant accounting policies disclosed below, which the directors have determined are appropriate to meet the needs of members. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The amounts presented in the financial statements have been rounded to the nearest dollar.

Accounting Policies

a) Revenue

Operating grants, Sponsorships and Host funding fees

When the company receives operating grants, sponsorships and host funding fees it assesses whether the contract or agreement with the respective customer is enforceable and has sufficiently specific performance obligations in accordance with AASB 15.

When both of these conditions are satisfied, the company:

- identifies each performance obligation relating to the agreement with the customer
- recognises unearned income for its obligations under the agreement
- recognises revenue as it satisfies each performance obligation.

Where the contract is not enforceable or does not have sufficiently specific performance obligations, the company:

- recognises the asset received in accordance with the recognition requirements of other applicable *accounting standards i.e. AASB 9, and
- recognises income immediately in profit or loss.

If a contract liability is recognised as a related amount above, the company recognises income in profit or loss when or as it satisfies its obligations under the agreement.

Interest income

Interest income is recognised using the effective interest method.

Merchandise sales, Awards and conference fees, Ticket and lift passes

Revenue from the sale of merchandise, awards and conference fees, tickets and lift passes is recognised at the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods or service and the cessation of all involvement in those goods or services.

Membership fees

Membership fees are levied annually and recorded as revenue over time to coincide with the membership period. Only those membership fees attributable to the current financial year are recognised as revenue, membership fees relating to periods beyond the current financial year are shown in the Statement of Financial Position as Income received in advance within current liabilities.

All other revenue is recognised once the company has earned the right to the revenue by satisfying its performance obligations which is usually at a point in time.

All revenue is stated net of the amount of goods and services tax.

UNISPORT AUSTRALIA LIMITED
ACN: 095 463 782

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

b) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at-call with banks, other short term highly liquid investments with original maturities of three months or less.

c) Plant and Equipment

Plant and equipment are measured on the cost basis less depreciation and any impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

In the event the carrying amount of plant and equipment is greater than the recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present (ref to j below for further details of impairment).

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the company commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Assets	Depreciation Rate
Furniture, Fittings and Equipment	5-50% straight line
Computer Equipment	13-33% straight line

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

d) Intangibles Software

Software is recorded at cost. Where software is acquired at no cost, or for a nominal cost, the cost is its fair value as at the date of acquisition. It has a finite life and is carried at cost less accumulated amortization and any impairment losses. Software has an estimated useful life of between one and four years. It is assessed annually for impairment.

e) Leases

The Company as a lessee

At inception of a contract, the company assesses if a lease exists. If there is a lease present, a right-of-use asset and a corresponding lease liability is recognised by the company where the company is a lessee. However, all contracts that are classified as short-term leases (lease with a lease term of 12 months or less) and leases of low-value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

UNISPORT AUSTRALIA LIMITED
ACN: 095 463 782

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

f) Employee Provisions Short-term Employee Benefits

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The company's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as part of accounts payable and other payables in the statement of financial position.

Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred.

Other long-term employee benefits

Provision is made for employees' long service leave and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss as part of employee benefits expense.

The company's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

g) Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the company commits itself to either purchase or sell the asset (ie trade date accounting is adopted). Financial instruments (except for trade receivables) are initially measured at fair value plus transaction costs, except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Classification and Subsequent Measurement

Financial liabilities

Financial liabilities are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest expense in profit or loss over the relevant period.

The effective interest rate is the internal rate of return of the financial asset or liability. That is, it is the rate that exactly discounts the estimated future cash flows through the expected life of the instrument to the net carrying amount at initial recognition.

A financial liability cannot be reclassified.

Financial Assets

Financial assets are subsequently measured at:

- amortised cost; or
- fair value through other comprehensive income.

UNISPORT AUSTRALIA LIMITED
ACN: 095 463 782

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

g) Financial Instruments (continued)

Measurement is on the basis of the two primary criteria, being:

- the contractual cash flow characteristics of the financial asset; and
- the business model for managing the financial assets.

A financial asset that meets the following conditions is subsequently measured at amortised cost:

- the financial asset is managed solely to collect contractual cash flows; and
- the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates.

A financial asset that meets the following conditions is subsequently measured at fair value through other comprehensive income:

- the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates; and
- the business model for managing the financial asset comprises both contractual cash flows collection and the selling of the financial asset.

By default, all other financial assets that do not meet the conditions of amortised cost and the fair value through other comprehensive income's measurement condition are subsequently measured at fair value through profit and loss.

The company does not measure any financial assets as fair value through profit or loss.

Derecognition

Derecognition refers to the removal of a previously recognised financial asset or financial liability from the statement of financial position.

Derecognition of financial liabilities

A liability is derecognised when it is extinguished (ie when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability, is treated as an extinguishment of the existing liability and recognition of a new financial liability.

The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

Derecognition of financial assets

A financial asset is derecognised when the holder's contractual rights to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

All of the following criteria need to be satisfied for derecognition of a financial asset:

- the right to receive cash flows from the asset has expired or been transferred;
- all risk and rewards of ownership of the asset have been substantially transferred; and
- the company no longer controls the asset (ie it has no practical ability to make unilateral decisions to sell the asset to a third party).

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

On derecognition of a debt instrument classified as fair value through other comprehensive income, the cumulative gain or loss previously accumulated in the financial asset reserve is reclassified to profit or loss.

UNISPORT AUSTRALIA LIMITED
ACN: 095 463 782

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

g) Financial Instruments (continued)

Impairment

The company recognises a loss allowance for expected credit losses on:

- financial assets that are measured at amortised cost or fair value through other comprehensive income.

Expected credit losses are the probability-weighted estimate of credit losses over the expected life of a financial instrument. A credit loss is the difference between all contractual cash flows that are due and all cash flows expected to be received, all discounted at the original effective interest rate of the financial instrument.

The company used the following approaches to impairment, as applicable under *AASB 9 Financial Instruments*:

- the general approach;

General approach

Under the general approach, at each reporting period, the company assessed whether the financial instruments are credit impaired, and if:

- there was no significant increase in credit risk since initial recognition, the company measured the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

Recognition of expected credit losses in financial statements

At each reporting date, the company recognises the movement in the loss allowance as an impairment gain or loss in the statement of profit or loss and other comprehensive income.

The carrying amount of financial assets measured at amortised cost includes the loss allowance relating to that asset.

Assets measured at fair value through other comprehensive income are recognised at fair value with changes in fair value recognised in other comprehensive income. The amount in relation to change in credit risk is transferred from other comprehensive income to profit or loss at every reporting period.

h) Impairment of Assets

At the end of each reporting period, the company reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is recognised immediately in profit or loss.

Where the future economic benefits of the assets are not primarily dependent upon the asset's ability to generate net cash inflows and when the company would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of a class of asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where an impairment loss on a revalued asset is identified, this is debited against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same class of asset.

i) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of any applicable GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

UNISPORT AUSTRALIA LIMITED
ACN: 095 463 782

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

j) Income Tax

No provision for income tax has been raised as the company is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

k) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from donors and any outstanding grant receipts. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

l) Deferred Expenses

When expenditure is incurred for a project or event scheduled to take place in another accounting period it is deferred and recognised as an asset on the balance sheet until such time as the project or event subsequently takes place. The deferred expenditure is then recognised in profit or loss once the project or event has occurred.

m) Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid. The balance is recognised as a current liability with the amount normally paid within 30 days of recognition of the liability.

n) Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

o) Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

Key estimates

i. Impairment

The company assesses impairment at the end of each reporting period by evaluating of conditions and events specific to the company that may be indicative of impairment triggers.

No impairment has been recognised for the year ended 31 December 2022.

Key Judgements

i. Performance obligations under AASB 15

To identify a performance obligation under *AASB 15*, the promise must be sufficiently specific to be able to determine when the obligation is satisfied. Management exercises judgement to determine whether the promise is sufficiently specific by taking into account any conditions specified in the arrangement, explicit or implicit, regarding the promised goods or services. In making this assessment, management includes the nature/type, cost/value, quantity and the period of transfer related to the goods or services promised.

ii. Employee benefits

For the purpose of measurement, *AASB 119 - Employee Benefits* defines obligations for short-term employee benefits as obligations expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service. The company expects most employees will take their annual leave

UNISPORT AUSTRALIA LIMITED
ACN: 095 463 782

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Key Judgements (continued)

entitlements within 24 months of the reporting period in which they were earned, but this will not have a material impact on the amounts recognised in respect of obligations for employees' leave entitlements.

iii. Provision for credit losses of accounts and other receivables

The directors review the recoverability of the company's accounts and other receivables on a regular basis and raise the necessary credit losses if required. The directors are satisfied that accounts and other receivables will be realised at their carrying value as at 31 December 2022 within the normal course of business

p) Economic Dependence

The company is dependent on the Federal and State Government Departments for the majority of its revenue used to operate the business. At the date of this report, the Board of Directors have no reason to believe the agencies will not continue to support the company.

q) New and Amended Accounting Policies Adopted by the Company

During the year there were a number of new or amending standards with mandatory effect. The directors have assessed that these new or amended standards were not applicable to the company.

r) New Accounting Standards for Application in Future Periods

The directors have considered new accounting standards for application in future periods and are satisfied that of those standards that are applicable to the company there will be an immaterial impact on the annual financial statements of the company.

NOTE 14: RESERVES

(a) Reinvestment Fund

The Future Program Maintenance Reserve was established in December 2006 to maintain UniSport sporting programs into the future. In 2016, the Board renamed this the Reinvestment Fund. The Reinvestment funds may be used for programs, activities or research that will produce significant benefit to members, student participants or the university sport sector.

(b) Student International Representation Support Fund

The World University Games Fund Reserve was established in December 2007, in 2016 the name of this Fund was changed to the Student International Representation Support Fund. The Student International Representation Support Fund reserve records funds that have been set aside in support of international representatives.

(c) Operating Reserve

The Operating Reserve sets aside funds to ensure the stability and ongoing operations of the company in the event of unexpected losses of income, large unbudgeted expenses or uninsured losses.

(d) Financial Asset Revaluation Reserve

The Financial Asset Revaluation Reserve records the revaluation of financial assets.

NOTE 19: MEMBERS' GUARANTEE

The company is incorporated under the *Corporations Act 2001* and is a company limited by guarantee. If the company is wound up, the constitution states that each member is required to contribute a maximum of \$1.00 each towards meeting any outstanding obligations of the company. At 31 December 2022, the total amount that members of the company are liable to contribute if the company is wound up is \$42 (2021: \$42).

NOTE 20: KEY MANAGEMENT PERSONNEL COMPENSATION

The UniSport Board of Directors do not receive remuneration for their services.

NOTE 21: RELATED PARTY TRANSACTIONS

Transactions between related parties are on normal commercial terms and conditions no more favorable than those available to other persons unless otherwise stated.

NOTE 22: SUBSEQUENT EVENTS

No matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in future financial years.

NOTE 23: COMPANY DETAILS

The company's registered office and principal place of business is:

Suite 1.12,
 Sports House
 Cnr Castlemaine & Caxton Streets
 MILTON QLD 4064

Independent Auditor's Report to the Members of UniSport Australia Limited

Report on the Audit of the Financial Report

Opinion

We have audited the financial report, being a special purpose financial report, of UniSport Australia Limited (the Company), which comprises the statement of financial position as at 31 December 2022, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of UniSport Australia Limited is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Company's financial position as at 31 December 2022 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1, and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Liability limited under a scheme approved under Professional Standards Legislation.

Independent Auditor's Report to the Members of UniSport Australia Limited (continued)

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial statements is appropriate to meet the requirements of the *Corporations Act 2001* and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Independent Auditor's Report to the Members of UniSport Australia Limited (continued)

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

UniSport Australia Limited**Compilation Report to Unisport Australia Limited**

We have compiled the accompanying special purpose financial statements of Unisport Australia Limited which comprises the Detailed Statement of Income and Expenditure by Category for the year ended 31 December 2022. The specific purpose for which this special purpose financial statement has been prepared is to satisfy the information needs of members.

The Responsibility of the Directors of Unisport Australia Limited

The directors of Unisport Australia Limited are solely responsible for the information contained in the special purpose financial statement, the reliability, accuracy and completeness of the information and for the determination that the basis of accounting used is appropriate to meet their needs and for the purpose that the financial statement was prepared.

Our Responsibility

On the basis of information provided by the directors of Unisport Australia Limited, we have compiled the accompanying special purpose financial statement in accordance with the basis of accounting as described in Note 1 to the financial statement and APES 315: *Compilation of Financial Information*.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the basis of accounting described in Note 1 to the financial statements. We have complied with the relevant ethical requirements of APES 110 *Code of Ethics for Professional Accountants*.

Assurance Disclaimer

Since a compilation engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or completeness of the information provided to us by management to compile the financial statements. Accordingly, we do not express an audit opinion or a review conclusion on these financial statements.

The special purpose financial statements were compiled exclusively for the benefit of directors of Unisport Australia Limited who are responsible for the reliability, accuracy and completeness of the information used to compile these financial statements. We do not accept responsibility for the contents of these special purpose financial statements.
