### Netball

- One person from each team competing in the current match to assist with timing and scoring.

### **Touch Football**

- One person from each team competing in the current match to assist with scoring or other sideline duties.

### **Total number of duties per team**

- In the interest of fairness, each team have been allocated 3 duties across both Volleyball and Basketball. Most duties will be after the game teams have been fixtured to play, however, there will be occasional occurrences where a duty team is required prior to the fixture they are scheduled to play. Also to note, not all duties occur on the same court in which the rostered duty team just played – so please check the roster carefully.
