FOR COMPETITORS

- Competitors must fulfil all accreditation requirements, which includes:
 - Registration in the morning of each Competition day with proof of their *UniSport* accreditation (digital pass). This check is by done by the *UniSport* staff.
 - Validation of identity before each match, by presenting at the Ribbon Table while wearing the correct *zekken*, to receive their ribbon (*tasuki*), then returning to the table after.
- Competitors may only bring their own *shinai* for the *shinai* check.
- The use of *tsuki*, *nitō* (two swords style), and any *kamae* other than *chūdan* shall be prohibited in the *Kyu Individuals* and *Open Grade Teams* Divisions.
- If a match is stopped due to a medical reason, the First Aid Officer must attend the incident. The First Aid Officer will have the final say on whether the Competitor may continue or not, and this decision is valid for both days.
- Competitors who have been deemed unsuitable to continue by the First Aid Officer should not participate in any Kendo activities (including warm-up and *jigeiko*) unless they have been checked, reviewed, and cleared by the First Aid Officer.

FOR TEAM MANAGERS

- As much as possible, we will attempt to roster only full-time referees who are not associated with a university team. However, it may be necessary to request assistance from high-grade Team Managers, depending on numbers.
- When representing their team, Managers should wear clothes that identify them as a representative of their team, and avoid wearing uniforms that may allow them to be mistaken as a Referee or official staff.
- We recognise Teams may have multiple Managers, however only one (1) person may act as the Team representative at a time (e.g. sitting by the court, or filing a protest).

FOR REFEREES

- Referees should fulfill the standard requirements in-line with AKR policies, e.g. having a valid *Working With Children Check*, up-to-date *Play By The Rules* certifications, etc.
